BRIEF ABSTRACT OF LETTER.

Submits an application from Mr B. Desikachar, Managing Trustee of the endowment created by the late Mr B. Venkatachar for the feeding of travellers and indigent sanskrit students in the Vedanta Desikar's temple at Melkote, expressing his inability to continue further in the personal management of the charity and requesting that the management may be assumed by Govt.

NOTES AND ORDERS.

The question of Govt assuming the management of the charity having cropped up on a previous occasion, it was observed in docket No 1767/101-92 & 23-7-02 to the Dy. Comr

Serial No.

Mysore District, that as Mr. Venkatachar, the founder of the charity, was not willing to resign the management of the Trust entirely into the hands of Govt., Govt. did not deem it desirable to incorporate the charity with the Temple charities and that the existing arrangement whereby the two were kept distinct should continue as heretofore.

2 Mr. Venkatachar in his statement of 1.11.01 has expressed his opinion that he is not in favour of resigning all claim in the management of the charity either to his heirs or agent.

3 In his present application, Mr. R. Desikachar, the Managing Trustee, says that he finds it very difficult to manage the charity satisfactorily, and suggests that out of the annual income of Rs 150/-, Rs 10/- a month may be used for feeding as at present and the balance of Rs 30/- for celebrating Sri Desikar's birthday (ಆಡಳಿತಾಧಿಕಾರಿ ಜಯಂತಿ) in the Desikar's temple at Melkote and requests that the management in the modified forms may be kindly

taken up by Govt in the Muzrai Deptt. He further states that the members of the founder's family concur in the above arrangements.

4 The intention of the founder that either the members of his family or his agent should have a hand in the management will be frustrated by the proposed arrangement.

5 The Muzrai Supdt recommends that the control of the charity and its utilization in the way suggested may be accepted by Govt and the Temple Peshkar entrusted with the duty of supervision of the expenditure with the help of a committee of Vadakalai gentlemen of the locality.

In the appointment of a Committee, the point whether it would not be advantageous to have always on the Committee one of the members of the founder's family, whether residing in Melkote or elsewhere, may, perhaps, be considered.
